

## Mortgage Broker Fee Agreement and Disclosure

This Mortgage Broker Fee Agreement and Disclosure ("Agreement") is by and between \_\_\_\_\_ a mortgage broker ("we," "us," "our") and the borrower (s) below ("you," "your") This Agreement discloses and governs the overall fees that will be paid to your mortgage broker for the origination of your loan, and this Agreement represents the entire agreement between you and us.

**NOTE ABOUT UP-FRONT FEES:** You may not be charged any fee, other than a reasonable credit report fee (if applicable), prior to (i) receiving your Loan Estimate ("LE") from us, (ii) expressing your intent to proceed with the loan transaction, and (iii) receiving the initial disclosures from the mortgage lender.

**OUR SERVICES:** A mortgage broker charges fees to arrange a loan from a mortgage lender that will fund the loan. As your mortgage broker, we will assist you in obtaining a loan. We do not offer products from all mortgage lenders, so we cannot guarantee you this loan product and terms we arrange for you. By signing below, you request us to arrange a mortgage loan from a mortgage lender and you agree to the fees listed below for our services.

**YOUR MORTGAGE LOAN:** You are currently applying for a mortgage loan in the amount of \$\_\_\_\_\_, your fees may increase if the loan amount increases, or decrease if the loan amount decreases. The fees in this Agreement are for mortgage broker services and do not include other closing costs or credits from us or other parties for non- broker related services. Please refer to your LE for other fees related to the settlement of your loan. Once your interest rate is locked and your loan amount and terms are finalized, we will be able to tell you the exact amount of all fees, including our fees in addition to our fees, estimates of other fees you will pay in connection with your loan will be shown on your LE.

Our fees may be paid by either you or paid by the mortgage lender, but not by both.

- **BROKER COMPENSATION PAID BY YOU:** Depending on the loan program, you select and subject to applicable legal requirements, our fees may be paid by you directly from your own funds at or prior to the loan closing; you may also elect to include our fees in your loan amount and pay us at closing out of your loan proceeds. If you choose to pay the fees out of the loan principal, your principal amount will increase (unless the loan amount quoted already includes our fees), and you will pay interest on this increased amount over the life of the loan.
- **BROKER COMPENSATION PAID BY MORTGAGE LENDER:** Instead of paying our compensation directly, you may pay our fees by electing to pay the mortgage lender higher interest rate, and the mortgage lender will then pay us. When you elect to pay a higher interest rate, you will not pay us anything directly prior to or at closing. Paying our fees directly may result in a lower interest rate but higher costs at closing. The amount of our fee does not change based on the interest rate of the loan.

By signing this Agreement, you acknowledge that we have discussed these fee payment options with you.
